

Literacy Volunteers of Camden County needs your help with a new fundraising effort and *it will not cost you a penny!!!*

Literacy Volunteers of Camden County, based in the Camden County Vogelson Library, provides free one-on-one tutoring in reading, math and English (ESL) to Camden County adults at the lowest levels of literacy.

Our fundraising organization, **Literacy Now**, has joined with **TD Bank's Affinity Membership Program**. Here's how it works: For every existing TD Bank checking account customer who links his/her account with the Literacy Now Affinity Program, TD Bank will make a donation to our organization. This donation **does not** come out of your account. TD Bank's donations are even larger for savings, CD and new customers! Plus, you can receive \$25 when you open a new non-interest bearing checking account.

Just stop by or call your local TD Bank branch to link your account with the Literacy Now Affinity Program (code: AF033). Please join Literacy Now for this simple and profitable fundraising effort.
